First Owner
When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Non-Owner Reported
When a vehicle is sold to a new owner, the Title must be transferred to the new owner(s) at a Department of Motor Vehicles.

Ownership History
CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To determine ownership, CARFAX analyzes many factors including: the length of time between title transactions, the number of vehicles manufactured after 1997 and listed solely in the US including Puerto Rico, Dealers converted to a new ownership of a vehicle and are reported in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's ownership history.

Title Issued
This indicates a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each time an organization record on a CARFAX report does not necessarily signal a change in ownership. In Canada, a registration serves as proof of sale and as proof of ownership.
