Core Return Shipping charges are the responsibility of the customer. These are non-refundable.

- Your core will be inspected to determine if the core is rebuildable.
- Shipping charges will be applied to the core if it is not rebuildable.
- Core must be returned in the packaging or box used in the shipment of the order sent to you. If not returned in its original packaging, we cannot send it back to our supplier and we cannot credit you the core charge.
- Core must be returned in the packaging or box used in the shipment of the order sent to you. If not returned in its original packaging, we cannot send it back to our supplier and we cannot credit you the core charge.
- The core must be securely wrapped in plastic and sealed.
- All fluids must be drained from the core.
- Core return MUST be returned within 30 days of ship date.

If you would like to return an item associated with a core return value, please contact us. Please note:

Core Return

Once we have received your return, we will inspect the return and verify that your return meets the above guidelines. A full refund for the parts sales amount will be issued. All applicable taxes will be returned. Shipping charges are non-refundable. We reserve the right to change a restocking fee of up to 10% of the order for orders that meet the return criteria and are returned after 30 days but not to exceed 90 days. Restocking fees that fall outside of the above listed criteria will be decided upon on a case-by-case basis. You must notify us prior to returning any items - an authorized / an authorized return will be refused and sent back. Items incorrectly shipped to Pelican Parts will be refused & returned. Items not purchased from Pelican Parts will not be accepted. If we ship your order to you and it is undeliverable or refused by the recipient, then it will be returned to us for processing. Refused orders are costly to that they need to be picked, packed and shipped. Pelican Parts incurs the costs for shipping both to you and for the return to us. Upon return of your order to us, we will issue credit for the returned parts less the outbound and incoming shipping costs and a nominal restocking fee.

Received incorrect products

If you received a product that is incorrect, please contact our Customer Service Department. We will review all inquiries on a case-by-case basis to promptly solve the issue.
