

CERTIFICATE OF PRODUCTION

PORSCHE 356

Reutter Body No.: 60323

This Certificate is prepared by using existing documents from the Reutter Family Archive, production planning department documents and information gathered from former employees.

The information about color and materials of this Porsche 356 body describes the status how it was delivered from Stuttgarter Karosseriewerk Reutter & Co to Dr. h.c. F. Porsche KG.

The status of the delivery is not only documented by this Certificate of Production, but it also describes and honors the full scope of work of all employees and workers of Reutter Karosseriewerk (founded 1906).
