Technical Check:

To give you a complete overview of your Porsche Classic, we have performed a technical check on your vehicle. The technical statements refer to a visual and functional inspection performed by Porsche Classic Technicians from your Porsche Classic Partner Porsche Jacksonville on 14-Jan-2026.

During the technical check on your vehicle, the following test points failed to meet requirements:

Expert opinion from your Porsche Classic Partner:

A visual inspection of the engine serial number indicated a match and the transmission serial number indicated a match to our original serial numbers records. Overall, the vehicle shows minor faults on some parts but there is no acute need for action. The paintwork is in good condition and only shows some minor damage(s). The body is in excellent condition and shows no visible damage. The interior shows a few traces of overstrain. The engine has some minor leakages (sweating) but causes no acute need for action. The front pads are only showing minimal wear and front rotors are only showing minimal wear. The rear pads are only showing minimal wear and rear rotors are only showing minimal wear. There is no need for action with the suspension, it shows no major damages. Thank you very much for bringing your car and we are very much looking forward to seeing you again.

The information in this certificate listing the original delivery state of your vehicle has been researched to the best of our knowledge. We assume no liability for the accuracy of the information provided. Furthermore, this certificate contains no declaration concerning whether the vehicle is currently in its original delivery state. Changes on this vehicle performed after the technical check cannot be considered. With this document we assume no guarantee for the functionality of the vehicle nor is this a reference for a purchase recommendation.

We wish you a safe ride and a lot of fun with your Porsche Classic. For further questions please do not hesitate to contact us.
